4. This action involves real property that is located within Walton County, Florida, and the cause of action alleged herein arose in Walton County, Florida. Accordingly, Walton County, Florida, is the proper venue for this proceeding, and this Court has jurisdiction over the same.

GENERAL ALLEGATIONS

5. On March 28, 2017, following a duly noticed public hearing and the receipt of public comment, the Walton County Board of County Commissioners (“BOCC”) voted to adopt Ordinance No. 2017-10 – *i.e.*, the County’s Customary Use Ordinance. The title to the County’s Customary Use Ordinance reads as follows:

AN ORDINANCE OF WALTON COUNTY, FLORIDA,
PROTECTING THE PUBLIC’S LONG-STANDING CUSTOMARY
USE OF THE DRY SAND AREAS OF THE BEACHES,
CLARIFYING WHICH USES ARE PERMITTED AND
PROHIBITED FOR MEMBERS OF THE PUBLIC ON THE DRY
SAND AREAS OF THE BEACH THAT ARE OWNED BY
PRIVATE ENTITIES; PROVIDING FOR A BUFFER AREA
AROUND PRIVATE PERMANENT STRUCTURES; PROVIDING
FOR PENALTIES FOR VIOLATION OF THIS ORDINANCE;
PROVIDING AUTHORITY, SEVERABILITY, AND AN
EFFECTIVE DATE.

6. The recitals of the County’s Customary Use Ordinance reflect that the BOCC expressly found that “the recreational use of the dry sand areas of all of the beaches in the County is a treasured asset of the County which is utilized by the public at large”; “the dry sand areas of all of the beaches in the County are a vital economic asset to the County”; and “the public at large, including residents and visitors to the County, have utilized the dry sand areas of all of the beaches in the County for recreational purposes since time immemorial.”

7. In adopting the County’s Customary Use Ordinance, the BOCC concluded that “the research and analysis of Dr. James Miller, as well as the testimony of citizens of the County, confirm that the doctrine of customary use has applied to all of the beaches in Walton County since before 1970.”

8. Consistent with the BOCC's factual findings set forth in the recitals and the County's expressed "desire[]" to ensure that the public's long-standing customary use of the dry sands areas of all of the beaches in Walton County for recreational purposes is protected," Section 2 of the County's Customary Use Ordinance, entitled "Regulation of Dry Sand Areas," provides in pertinent part:

1. The public's long-standing customary use of the dry sand areas of all of the beaches in the County for recreational purposes is hereby recognized and protected. Except as stated in Paragraph 3, no individual, group, or entity shall impede or interfere with the right of the public at large, including the residents and visitors of the County, to utilize the dry sand areas of the beach that are owned by private entities for the uses as described in Paragraph 4.

9. The County's Customary Use Ordinance recognizes that "the owners of property that contains a portion of the dry sand areas of the beach may make any use of their property which is consistent with such public use and not calculated to interfere with the exercise of the right of the public to enjoy the dry sand area as a recreational adjunct of the wet sand or foreshore area."

10. The County's Customary Use Ordinance became effective on April 1, 2017.

11. On November 22, 2017, the United States District Court for the Northern District of Florida Court granted the County's Motion for Partial Summary Judgment as to Count IV in *Alford v. Walton County*, Case No. 3:16-cv-00362-MCR-CJK. In so doing, the District Court concluded that the County had the home rule authority to adopt its Customary Use Ordinance. The District Court's decision was subsequently vacated as moot.

12. On March 8, 2018, the Florida Legislature enacted House Bill 631, which became effective on July 1, 2018 ("HB 631").

13. HB 631 is codified at Chapter 2018-94, Laws of Florida, Section 10, and creates Section 163.035, *Florida Statutes*, entitled “Establishment of recreational customary use.” Section 163.035, *Florida Statutes*, retroactively invalidated the County’s Customary Use Ordinance.

14. Section 163.035, *Florida Statutes*, mandates a new two-step process whereby a local government can seek to judicially affirm the existence of the public’s recreational customary use of a beach. The first step requires a local government to conduct a public hearing regarding whether to adopt a formal notice of intent to affirm the existence of recreational customary uses on certain private properties. If the local government adopts a formal notice of intent, the second step requires the local government to file a “Complaint for Declaration of Recreational Customary Use” with the circuit court in the county in which the properties subject to the notice of intent are located.

15. On November 3, 2018, the Walton County Board of County Commissioners performed the first step in the above-referenced two-step process by conducting a public hearing regarding whether to adopt a formal notice of intent to affirm the existence of recreational customary uses on certain private properties (“Customary Use Public Hearing”).

16. On October 3, 2018, the County provided notice of the Customary Use Public Hearing by certified mail with return receipt requested to the owner of each parcel of property on which the County intends to affirm the existence of recreational customary uses.

17. On September 28, 2018, October 5, 12, 19, and 26, 2018, and November 2, 2018, the County published notice of the Customary Use Public Hearing in the Northwest Florida Daily News. The Northwest Florida Daily News is a newspaper of general circulation in the area where the parcels of property on which the County intends to affirm the existence of recreational customary uses are located.

18. On September 18, 2018, through November 3, 2018, the County posted notice of the Customary Use Public Hearing on the County's website news flash and the County Calendar.

19. The County has fulfilled the notice requirements mandated by Section 163.035(3)(a), *Florida Statutes*, for the Customary Use Public Hearing.

20. At the conclusion of the Customary Use Public Hearing, the Walton County Board of County Commissioners voted unanimously to adopt a "Formal Notice of Intent to Affirm the Existence of Recreational Customary Uses on Private Property" ("Formal Notice of Intent"). A true and correct copy of the Formal Notice of Intent is attached hereto and incorporated herein by reference as Exhibit "1."

21. The specific parcels of property upon which the County seeks to affirm the existence of recreational customary uses are listed in Exhibit "A" to the Formal Notice of Intent.

22. The detailed, specific, and individual uses of the parcels of property on which a customary use affirmation is sought are as follows: traversing the beach; sitting on the sand, in a beach chair, or on a beach towel or blanket; using a beach umbrella that is seven (7) feet or less in diameter; sunbathing; picnicking; fishing; swimming or surfing off the beach; placement of surfing or fishing equipment; and building sand creations.

23. The sources of evidence that the County relies upon to prove that the recreational customary uses have been ancient, reasonable, without interruption, and free from dispute are listed on Exhibit "B" to the Formal Notice of Intent.

24. All conditions precedent to the filing of this action have been performed and satisfied or otherwise waived.

COUNT I – DECLARATORY & INJUNCTIVE RELIEF

25. Count I is an action for a declaratory judgment affirming the existence of recreational customary uses on the following specific parcels of property which are listed in Exhibit “A” to the Formal Notice of Intent:

**FORMAL NOTICE OF INTENT TO AFFIRM THE EXISTENCE
OF RECREATIONAL CUSTOMARY USES ON PRIVATE PROPERTY**

Pursuant to Section 163.035(3), *Florida Statutes* (2018), the Board of County Commissioners for Walton County, Florida ("County Commission"), hereby adopts a formal Notice of Intent to affirm the existence of recreational customary uses on certain properties in Walton County, Florida.

1. The specific parcels of property upon which a customary use affirmation is sought are listed on Exhibit "A" which is attached hereto and incorporated herein by reference. A customary use affirmation is sought only on the portion of the properties referenced in Exhibit "A" that consists of the dry sand area of the beach. The dry sand area of the beach is defined as the zone of unconsolidated material that extends landward from the mean high water line to the place where there is marked change in material or physiographic form, or to the line of permanent vegetation, usually the effective limit of storms waves, whichever is more seaward.

2. The detailed, specific, and individual uses of the parcels of property to which a customary use affirmation is sought are as follows: traversing the beach; sitting on the sand, in a beach chair, or on a beach towel or blanket; using a beach umbrella that is seven (7) feet or less in diameter; sunbathing; picnicking; fishing; swimming or surfing off the beach; placement of surfing or fishing equipment; and building sand creations.

3. The sources of evidence that the County Commission would rely upon to prove a recreational customary use has been ancient, reasonable, without interruption, and free from dispute are listed on Exhibit "B" which is attached hereto and incorporated herein by reference. PASSED AND DULY ADOPTED in a special session by the Board of County Commissioners for Walton County, Florida, this 3rd day of November 2018.
