

Support

If you encounter any issues while using your Smartfin, please email help@smartfin.org or visit <http://www.surfrider.org/programs/smartfin> and click on the “Resources” tab to read the complete User Guide or watch Demo Videos.

Our Mission

The mission of Smartfin is to engage surfer citizen scientists in data collection for oceanographic research, and to inspire and empower local communities to help meet today's challenges of ocean health and global climate change.
